Reminisce (SOLD)

Acrylic on Canvas,
Framed in Leather

Evoking desire and adoration for sensuous forms, the female and her shoes can encourage multiple glances and in a moment, inspire a lasting day-dream.

Teamwork

Acrylic on Canvas,
Framed in Leather

There is power in numbers,
this is certainly true, but the most
powerful combination is still the
coming together of the dynamic
duo, the pair, the two.

Me and You.

Shoe Addict

Acrylic on Canvas,
Framed in Leather

The puzzle is never complete, as there is always room for another pair of shoes, an ever-missing piece to an ever-growing collection.

Besides, you can always use another black high-heel.

Love of Shoes

Acrylic on Canvas,
Framed in Leather

I just love my shoes,
all of my shoes.
Enough said!

Influence

Acrylic on Canvas,
Framed in Leather

Nothing is more powerful than that which is influential, because while power might indicate capability to bring about a multitude of outcomes, the truly influential can make them all happen without ever lifting a finger, as others will perform them voluntarily.

State of Mind

Acrylic on Canvas,
Framed in Leather

An over-inflated ego can have an adverse affect on attitude, and hence a very unflattering affect on how you might be perceived.

Stay firmly grounded.

Diamonds Are A Girls Best Friend

Glitter, glimmer, sparkle, shine,
twinkle, shimmer, mine, mine,

Mine!

Get Back

Acrylic on Canvas,
Framed in Leather

Like the solitary creature of the unpredictable deep, there comes a time when the ones we love will need to make their own decisions. Allow them their independence and they will always meet their proud accomplishments with strength and vigor. No matter what!

Shaken Not Stirred (SOLD)

Acrylic on Canvas,
Framed in Leather

As verbatim from
Ian Flemmings book.

"Three measures of
Gordon's, one of vodka, half a
measure of Kina Lillet. Shake it
very well until it's ice-cold, then
add a large thin slice of lemon
peel. Got it?"

The Grapes Are Calling

Acrylic on Canvas,
Framed in Leather

The music is easy and the company
sweet, the chocolate accompaniment
is dark and 91% deep.

Yes, I'll have another glass.

The Cow Jumped Over The Moon

Acrylic on Canvas,
Framed in Leather

The cow jumped over the moon,
or so the story goes.

But how can a cow jump over the
moon with it's hoofs dangling so
far below.

Traveler

Acrylic on Canvas,
Framed in Leather

Where am I headed today?

Am I going north, or am I going south? Across a vast ocean, or toward a distant horizon. In any case, it's usually all very unfamiliar.

A more important question,

When am I coming home?

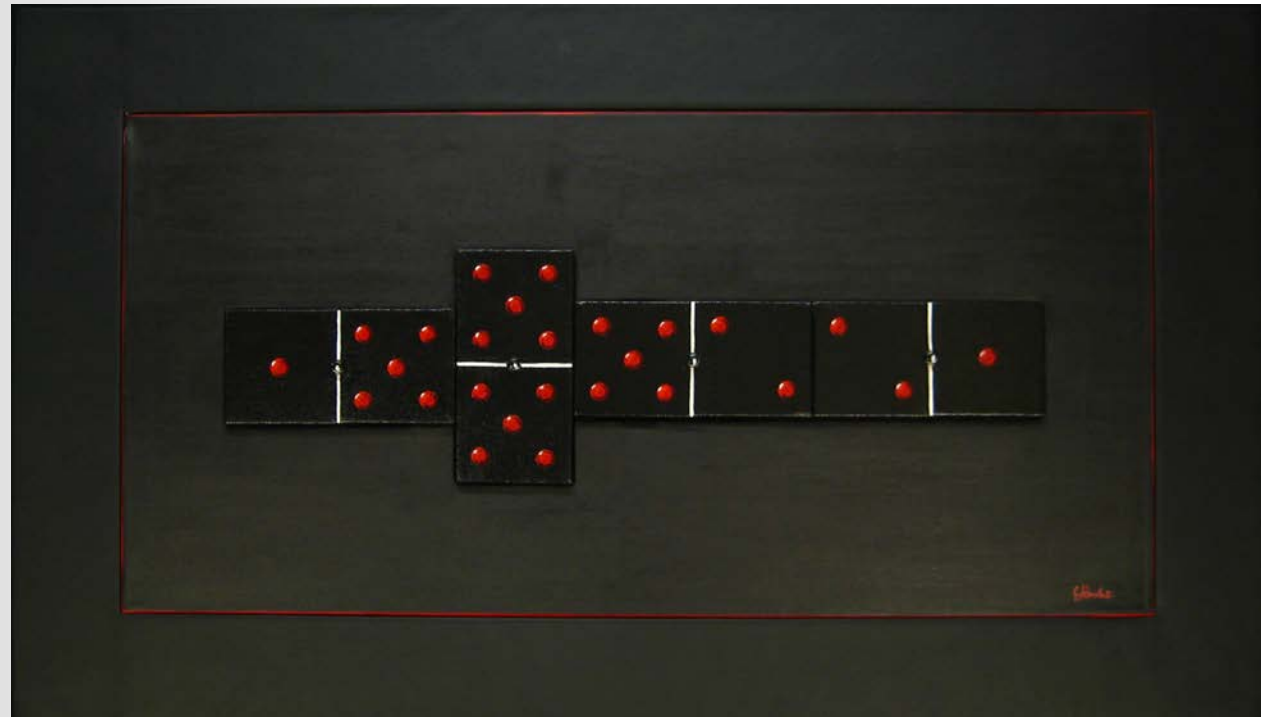

Looking Out For Number One

Acrylic on Canvas,
Framed in Leather

Sometimes life will ask us a
question. In return, no
matter how tough, all we can
do is play on.

Good luck to us all!

An Apple a Day Keeps the Doctor Away

Acrylic on Canvas,
Framed in Leather

Nothing wrong with a little preventive medicine, or at the very least when it comes to our children. After-all, they are the future.
